

FACILITIES FOR WOMEN

A) Safety and Security

- i) The Institution provides several measures for the safety and security of the female students. The college ensures usage of CCTV to provide a constant check on the incoming and outgoing students for the safety of the students.
- ii) The College provides security guards at the entrance of the institution, which includes female security guards as well for the safety of the female students, so that no outsiders are allowed to enter the college premise.
- iii) The College has different sub-committees like Cell for prevention against sexual harassment, Grievance Redressal cell where students can deposit their complaints in the respective complaint boxes in order to make the process safer.
- iv) The College has several Sub-committees to look into the matters regarding the safety and security of the students like Personal Counselling Cell and advices related to legal issues through the legal club for legal consultancy to provide requisite counselling to the students and advice on the course outcomes of different subjects to them.
