EDUCATIONAL TOUR ORGANIZED BY NABADWIP VIDYASAGAR COLLEGE

Nabadwip, Nadia, June 17, 2022: A field tour was organized by Department of Geography, Nabadwip Vidyasagar College on June 15-16, 2022 to visit Santiniketan and surroundings in Bolpur subdivision of Birbhum district in West Bengal, India according to our syllabus. The tour comprised students of BA/BSc Geography (Hons) accompanied by faculty members Smt Shilpi Mondal, Smt Sayani Saha, Md. Faruk Biswas, Smt Minakshi Mondal from department of Geography. All the students were directed to gather at waiting room of Nabadwip Dham Railway Station at 6 am to reach Bandel junction station for our express train. Principal of the college Dr. S K Roy wished all the students best and safe journey.

We started our journey at 8.32 am from Bndel junction Railway Station by MA TARA Express and reached Bolepur (Shantiniketan) Railway Station by 10.32 am of June 15. By 11.30 am the facilities of Lodge Manasi warmly welcome us in their Lodge. On the way to Kankalitala Mandir we had seen many places of Santiniketan (**visva bharti university campus from out side, chatim tola, Upsona Ghriho, Amar kutir, prakriti bhavan, Sona jhuri, Kopai River etc**). Then we reached at **Konkalitola mandir**.

Second day we visited some beautiful places of Shantiniketan one by one (**Melar math, Kala Bhaban, Bangladesh Bhavan, Local Handi craft Market, Deer Park, Surul Raj Bari etc**). We checked out from the hotel by 12 noon and then visited **Geetanjali Museum**. Then we reached in

Bolepur station to come back to Nabadwip by MAA Tara express. After this we came back to Nabadwip.

Totally this was an amazing experience for all of us. We all enjoyed the tour and took group photographs. We all had a safe and enjoyable journey with lots of information.

We all are thankful to our teachers and the college for taking us on this tour.

Main objectives of our field trip –

- To observe the cultural aspects of Shantiniketan..
- To visit Kopai river and river bank erosion by river Kopai.
- To visit badland topography .
