## Action plan for the academic session (2018-2019)

### Academic and Curriculum aspects

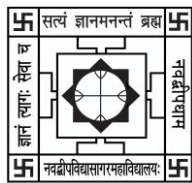

- ❖ The implementation of CBCS curriculum according to University regulations is a key focus in the upcoming session.
- ❖ Introduction of new UG honors courses in Geography, Physical Education and Computer Science and necessary steps in this process.
- ❖ To form a new and regularly updated college website.
- ❖ Introduction of a language lab facility to enhance the soft skills, spoken English and personality development of the students.
- ❖ To increase the academic endeavors of students involving seminars, field visits and project work.
- ❖ To introduce faculty exchange between departments both intra and inter college as well.
- ❖ To emphasize more on the internal assessment of students by conducting regular tests, introducing the OMR system of examination.
- ❖ Increase in the frequency of parent-teacher meetings and feedbacks from students and guardians to maintain a proper monitoring of the students.
- ❖ Regular publication of issues of the college "Teachers Journal" with a view to making it electronically accessible.
- ❖ To publish e-modules and periodicals for the benefit of the students to enable an online teaching process.
- ❖ To complete the academic and administrative audit process for the year 2017-2018.
- ❖ To create and fill up the substantive posts in the Dept. of Education, Environmental Science and Philosophy.
- ❖ To fill up the existing vacant posts for teaching and non-teaching staffs.
- ❖ To create a MoU with local bodies for extension of research and consultancy services.

### Infrastructure aspects

Based on the propositions for up-gradation to a Model Degree College under component 6 of RUSA-II, we are planning for the setup of a new campus and a few extensions for the old campus under Infrastructural head.

- ❖ Construction of an administrative and academic block in the new college campus.
- ❖ Construction of the library extension into class rooms and common rooms.
- ❖ Construction of a toilet block for students.
- ❖ Renovation of the existing toilets of the teachers' room.
- ❖ Construction of a lady teachers' rest room and ramps for the differently abled.
- ❖ Up-gradation of an existing seminar room to an Auditorium.
- ❖ Complete furnishing of the girls' and SC/ST hostel.
- ❖ Complete renovation and furnishing of the canteen for the students and staff.
- ❖ Beautification of the campus
- ❖ To upgrade a few of our class rooms to smart classrooms with LCD projector.

- ❖ Enhancement of laboratory infrastructure of science departments and developing a central Instrumentation laboratory (CIL) to maintain the curriculum of CBCS.
- ❖ To upgrade the computer lab with computers, LCD projector and other accessories with a view to organizing computer related classes.
- ❖ To furnish complete digitalization of library and purchase of new books.
- ❖ To provide sports and gymnasium facility for the students.

## Student support programmes

- ❖ To create a student circle with the aim of focusing and motivating students to different academic and co-curricular activities such as games and sports, cultural activities etc. towards a broader outlook.
- ❖ Activities related to student development such as exhibition/Orientation courses involving other institutions will be a key area of focus.
- ❖ Programmes and professional courses headed by the Govt. of West Bengal will be aimed for the SC/ST and minority students.
- ❖ To introduce an induction programme for the newly admitted students of semester-I making them aware of the curriculum and other aspects.
