## **Annual e-governance Report**

**2021-22**

*Placed in the GB meeting dated 8<sup>th</sup> April 2023 for appraisal and was approved by the members.*

### **Planning and Development:**

The College has implemented blended mode of teaching-learning few years back. In all the spheres of the institution like Administration, Finance and Accounts, Admission, Students support and Examination it has incorporated ICT and other e-resources. Almost all the financial transactions and Library works are done digitally. All the departments have internet connections and WiFi facilities for day to day activities. All the information from different state and central regulatory authorities have been circulated and exchanged digitally among students.

### **Administration:**

- Financial operations are done by e-billing through WBIFMS portal of West Bengal Government.
- Admission procedure, university registration, examination form fill up, enrolment etc. all activities related to the students are managed digitally.
- All the faculty related information are kept digitally by IQAC and used for All India Survey of Higher Education (AISHE), National Institute Ranking Framework (NIRF). Each year the AQAR and finally the SSR is also prepared and submitted by IQAC digitally.
- At the College there are more than hundred computers for the use of the students among which 57 computers are kept in two computer laboratories. Presently anywhere at the college premises 60 to 100 Mbps bandwidth is provided. In places where high speed connectivity is required dedicated LAN facilities have been provided. Beside computer labs, students can use computers at the Library.
- The Library is almost fully digitized. All the information related to Library can be traced through dedicated web page: <https://library.nvc.ac.in/>. The library is using the ILMS software Koha (Version: 18.11.08.000) successfully. INFLIBNET-NLIST is also used for Electronic Resource Package of e-journals.

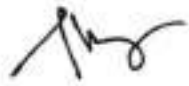

- The College website maintains dynamism and all information and announcements are circulated through the dedicated website. The website is maintained internally by the Technology for Up-gradation sub-committee.
- The admission procedure of the college is done through the dedicated portal: <https://nvcollege.co.in/> . Submission of application forms, selection and deposition of admission fees have been done online.
- Staff and Faculty are provided with G-Suite (Google Workspace), including individual institutional g-mail ids.
- The students related data preserved online are used for the purpose of registration and form fill up before examination.

#### **Finance and Accounts:**

- The HRMS module of WBIFMS has been introduced for the financial matters and salary of the staff.
- College financial management is done through Tally ERP 9 software
- E-pension is managed through government E-pension portal ([https://wbepension.gov.in/e\\_PensionHome/index](https://wbepension.gov.in/e_PensionHome/index))
- All the tenders are invited through the College website through the portal: <https://nvc.ac.in/tender/>

#### **Examination:**

- Marks relating to internal evaluation are kept digitally whereas the internal assignments have been received from the students through dedicated emails.
- Marks of University examinations are submitted online through University portal.
- The results of the students are also preserved through the College website.

**NOTIFICATION**

**Sub : Online admissions for the Academic Session 2018-19 to all UG & PG Courses**

The result of the West Bengal Higher Secondary Examination 2018 is expected to be published shortly. This Department has received queries from different colleges of the state regarding the admission modalities to be followed by them for the ensuing academic session 2018-19.

It may be recalled that since academic session i.e. 2015-16, admissions to all Under Graduate and Post Graduate courses (Honours and General) in the State-funded higher education institutions in West Bengal (except institutions recognized as minority institutions) were made through online, merit based system in order to render the admissions more transparent, hassle-free and convenient for the students.

Considering the success achieved, and in view of the fact that the requisite infrastructure for the online admissions (Stand-alone mode) system has already been put in place in the State's higher education institutions, the Governor has been pleased to say that, all the procedural and administrative modalities which were stipulated for online admissions (Stand-alone mode) for the last academic session 2017-18 shall be followed *in toto* for the ensuing academic session 2018-19.

No fund / Grant-in-aid will be given for online admissions in this ensuing academic 2018-19.

Vice-Chancellors of all State-aided Universities are requested to kindly take urgent necessary action in this regard, including issuing suitable instructions to all the affiliated institutions for compliance of the above.

This advisory does not apply to admission to teacher training courses such as B.Ed., B.P.Ed., M.Ed., or M.P.Ed. etc., for which a separate G.O. has been issued vide, 488- Edn(CS)/10M-20/2015, dated. 25-04-2018.
