## CRITERION-VII

7.1.3: Environmental promotional and Green Campus initiatives

Environmental Awareness Program  
Department of Environmental Science  
Nabadwip Vidyasagar College  
Environmental awareness programs

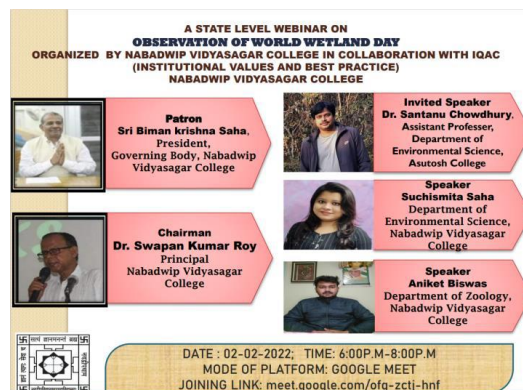

The Department of Environmental Science, Nabadwip Vidyasagar College In collaboration with IQAC, Nabadwip Vidyasagar College, hosted two off-campus environmental awareness programs. The first programme was conducted in Nabadwip Balika Vidyalaya on 8<sup>th</sup> April 2022 at 12:00 noon. The second was conducted in Nabadwip Hindu School on 8<sup>th</sup> April 2022 at 03:00 pm. It was a one-hour discussion session with the students. It was an interactive session to share important information and generate awareness among all participants toward the environment. It was a beneficial activity for the students and also an opportunity to the representatives to interact with next generation environmentalists.

# Environmental Awareness Programs

The World Environment Day 2020, the students of Department of Environmental Science, Nabadwip Vidyasagar College prepare a small video as a tribute to our mother earth. **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College encouraged the students for doing such awareness program. After this, The World Environment Day 2021, the Department of Environmental Science, Nabadwip Vidyasagar College In collaboration with IQAC arranged a National Level Webinar on google meet on 5<sup>th</sup> June, 2021. The occasion was graced by **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College and **Dr. Suwendu Manna**, Assistant Professor, Department of Health, Safety and environment, University of Petroleum and Energy Studies, Dehradun. On the next important day i.e. World Wet Land Day 2022, the Department of Environmental Science, Nabadwip Vidyasagar College in collaboration with IQAC arranged a National Level Webinar on google meet on 5<sup>th</sup> June, 2021. The occasion was graced by **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College; **Dr. Santanu Chowdhury**, Assistant Professor, Department of Environmental Science, Asutosh College; **Mrs. Suchismita Saha**, Faculty of Department of Environmental Science, Nabadwip Vidyasagar College and **Mr. Aniket Biswas**, Faculty of Department of Zoology, Nabadwip Vidyasagar College. Every respected guest shared their views through their presentation on Google meet. The program was streamed on YouTube. Another important Wing of the college, The Department of Zoology, Nabadwip Vidyasagar College In collaboration with IQAC, Nabadwip Vidyasagar College, observed World Health Day on 7<sup>th</sup> April, 2022. Being a distinguished guest Dr. Sankar Kumar Nath ( Oncologist) enlightened everyone with valuable words. The program was also conducted on google meet and broadcasted on YouTube. After this The Department of Environmental Science, Nabadwip Vidyasagar College In collaboration with IQAC, Nabadwip Vidyasagar College, hosted environmental awareness program at Nabadwip Balika Vidyalaya and Nabadwip Hindu School on 8<sup>th</sup> April 2022. Along with this Department of Environmental Science of Nabadwip Vidyasagar College, in collaboration with IQAC, organised an observational activity on 22<sup>nd</sup> April 2022 to acknowledge World Earth Day. The respected guest for the day was **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College and **Mr. Samrat Paul**, Field biologist (Sundarban), WTI, also expressed his own field experience with his presentation on " A tale on Sundarbans Tiger: Its conservation and effective management". After this The Department of Zoology, Nabadwip Vidyasagar College In collaboration with IQAC, Nabadwip Vidyasagar College, observed World malaria Day on 25<sup>th</sup> April, 2022. In this program awareness was spread through powerpoint presentation by the students of the department. Another chance was availed by The Department of Environmental Science, Nabadwip Vidyasagar College, in collaboration with IQAC to

structured a National Level Webinar on the Observation of International Day for Biological Diversity on 22<sup>nd</sup> May, 2022. **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College, being the most appreciated guest, addressed all the participants with his valuable thoughts. Representatives of IQAC articulated key information on "**Building a shared future for all life**" as the theme of the day. The occasion was graced by Mr. Sumit Saha, Field Biologist, Satpura Tiger Reserve, Narmadapuram, Madhya Pradesh. He expressed his own field experience with his presentation on "Tales of Tiger Conservation in India". After successfully conducting the previous program, keeping the notion in view, The Department of Environmental Science, Nabadwip Vidyasagar College, in collaboration with IQAC, celebrated World Environment Day on 5<sup>th</sup> of June 2022. **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College, inaugurated the programme with a small informative speech. Following that, the respected Principal Sir began a plantation session by planting a sapling on the college grounds and followed by him other participants also participated into the same activity. This time The Department of Environmental Science and Department of Geography of Nabadwip Vidyasagar College, in collaboration with IQAC hosted a State Level Webinar on World Environment Day on 5<sup>th</sup> June 2022. The program was honored by **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College. Other distinguished guest, **Dr. Soma Mukherjee** shared valuable thoughts on the topic of "Can Technology and Innovation Help to Save Our Environment" and **Dr. Subarna Bandyopadhyay** enriched everyone with his presentation on "Need of Eco-friendly attitude in our Daily Life". At last, in the year 2022, Nabadwip Vidyasagar College, Department of Environmental Science, in collaboration with IQAC, organised a tree planting ceremony to cherish the core essence of the Van Mahotsava festival on 6<sup>th</sup> July, 2022. **Dr. Swapan Kumar Roy**, Principal of Nabadwip Vidyasagar College, inaugurated the programme with a small informative speech. Following that, the respected Principal Sir began a plantation session by planting a sapling on the college grounds. Following him, members of IQAC, teachers from other departments, and student representatives planted their saplings in the college area.

# GREEN CAMPUS

Tree Plantation Programme-2018

# Medicinal Garden

Medicinal plant gardens are primarily focused on the conservation, cultivation and educational activities related to medicinal plant species. Nabadwip Vidyasagar College has its own medicinal garden decorated with various valuable medicinal plants like lemon grass, alovera, pudina, tulsi, shotomuli, sarpagandha, basak, ashwagandha, kalmegh. It is a well maintained garden that spread the knowledge and importance of medicinal values of various plants among the students.
